Annual Report of the
Town of Sanbornton
New Hampshire

For the year ending December 31, 1986

In Memoriam
Timothy J. Laughy
1960 – 1986

The memory of Timmy Laughy will always hold a very special place in the hearts and minds of his friends and neighbors in our town.

"Tim's struggle against muscular dystrophy will always remain an inspiration to us all."

Tim's dad

"Tim is free at last, he didn't have to climb the stairs—he just ran right through the gate."

Tim's brother

New Hampshire Muscular Dystrophy
Poster Child 1971 and 1972.

National Honor Society. Honors
graduate Winnisquam Regional High
School, 1978.

Trophy Winner, 1986 Hubcaps for Handicapped Antique Show.

Cover Story subject, "Late Great Chevrolets" National Magazine, 1987.

Model maker, clock repairer, electronics expert.

"All life is an experiment. The more experiments you make the better. . . What if you do fail and get fairly rolled in the dirt once or twice? Up again, you shall never be so afraid of a tumble."

Ralph Waldo Emerson

In grateful appreciation for their services to the town of Sanbornton, the Annual Report for 1986 is dedicated to the memory of Howard F. Carlson, Robert C. Hanson, Pauline Bennett Sullivan, and Frank B. Swain.

Howard F. Carlson

1899–1986

Trustee of Trust Funds
Sanbornton Historical Society

Robert C. Hanson

1987 Town Warrant
The State of New Hampshire

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton, on Tuesday, the tenth (10th) day of March next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To choose all necessary District Officers for the Winnisquam Regional School District.
3. To vote on the following proposed amendments to the Town Zoning Ordinances:

1: Are you in favor of the adoption of amendment No. 1 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment changes the front set back to 50 feet, side and rear set back to 30 feet in the Agricultural zone.

2: Are you in favor of the adoption of amendment No. 2 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment changes the front set back to 40 feet, side and rear set back to 20 feet in the Recreational zone.

3: Are you in favor of the adoption of amendment No. 3 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment changes the front set back to 50 feet, side and rear set back to 30 feet in the Forest Conservation district.

4: Are you in favor of the adoption of amendment No. 4 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment changes the front set back to 40 feet, side and rear set back to 20 feet in the General Residence district.

5: Are you in favor of the adoption of amendment No. 5 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment changes the front set back to 40 feet, side and rear set back to 20 feet in the Village Historical Area and the front set back to 50 feet, side and rear set back to 30 feet in the Rural Historical Area in the Historic Preservation District.

6: Are you in favor of the adoption of amendment No. 6 as proposed by the Planning Board for the town of Sanbornton Zoning Ordinance as follows?: This amendment establishes a Shorefront District and regulates community, commercial and condominium docking facilities and marinas and boat storage facilities.

7: Are you in favor of the adoption of amendment No. 7 as proposed by petition?: This amendment would remove the 40 foot water body set back within the Recreational district bordering Lake Winnisquam. (The Planning Board disapproves this amendment)

You are hereby notified to meet at the Sanbornton Life Safety Building in said Sanbornton, on Wednesday, the eleventh (11th) day of March next at seven-thirty of the clock in the evening, to act upon the following subjects:

1: To hear the report of the Budget Committee and pass any vote in relations thereto.

2: To see if the Town will authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes: to administer any real estate, acquired through tax collector's deeds: and to apply for and accept such grants, funds, and gifts as may be available to the Town from private sources and from other governmental agencies.

3: To see if the Town will authorize the Selectmen to incur debt in anticipation of taxes in order to pay current maintenance and operation expenses and to issue a note or notes therefor.

4: "Shall we adopt the provisions of RSA 72:1-c, which authorize any town or city to elect not to assess, levy and collect a resident tax?"

5: To hear a report by the Long-Range Educational Committee and to take appropriate action.

6: To see if the town will vote to establish a committee, appointed by the Selectmen, to investigate the need for a building code and make recommendations on the adoption of a building code at the next Town Meeting. Membership of this committee will consist of representatives of the major trades.

7: To see if the town will vote to raise and appropriate the sum of \$100.00 and make the same available to the Supervisor of the Checklist for the purpose of conducting a voter registration drive in Sanbornton. Recommended by the Selectmen.

8: To see if the town will vote to discontinue, subject to gates and bars, and make Class VI New Mountain Road beginning at Hale Road and ter-

minating one mile at a stone wall meeting Old Mountain Road, pursuant to RSA 231:45, as recommended by the Selectmen.

9: To see if the Town will vote to accept the remainder of Dr. True Road as a Class V town-maintained road (completed betterment assessment project), as recommended by the Selectmen.

10: To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration, or a qualified private appraiser, conduct a complete revaluation of the Town starting in 1989 or thereafter and to establish a capital reserve fund for the purpose of conducting such revaluation.

11: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund for the revaluation of the Town. Recommended by the Selectmen and the Budget Committee.

12: To see if the Town will vote to raise and appropriate the sum of \$16,500.00 to establish a Capital Reserve Account for the Sanitary Landfill for the purpose of (1) conducting an engineering study of the site; (2) monitoring of the site; and (3) eventual closing of the site, and to authorize the Selectmen as disbursing agents, as recommended by the Selectmen, Solid Waste Disposal Committee, and the Budget Committee.

13: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to establish a Capital Reserve Account for the purpose of buying development rights, as recommended by the Selectmen, the Conservation Commission, and the Budget Committee.

14: Subject: Capital Reserve Funds

To see if the Town will vote to raise and appropriate the sum of \$55,000.00, of which

\$20,000.00 is to be placed in the Capital Reserve Fund for heavy equipment;

\$10,000.00 is to be placed in the Capital Reserve Fund for town building improvement;

\$3,000.00 is to be placed in the Capital Reserve Fund for the future addition to the Library

\$20,000.00 is to be placed in the Capital Reserve Fund for the purpose of future purchase of a fire truck; and

\$2,000.00 is to be placed in the Capital Reserve Fund for reconstruction and refurbishing of fire trucks,

as recommended by the Selectmen and the Budget Committee.

15: To see if the Town will vote to raise and appropriate the sum of \$10,500.00 for solid waste disposal, which sum includes \$2,000 to hire an individual to monitor the landfill, as recommended by the Selectmen and the Budget Committee.

16: Subject: Police Department

To see if the Town will vote to raise and appropriate the sum of \$98,295.00 for the purpose of operating the Police Department, this sum to include \$200.00 for Civil Defense, as recommended by the Selectmen and the Budget Committee.

17: To see if the Town will vote to raise and appropriate the sum of \$13,000.00 for the purchase of a new police cruiser, the old cruiser to be auctioned and the proceeds deposited in the General Fund to reduce taxes, as recommended by the Selectmen and the Budget Committee.

18: Subject: Fire Department

To see if the Town will vote to raise and appropriate the sum of \$29,168.00 for the operation of the Sanbornton Fire Department, which sum includes \$1,000.00 for forest fire protection and \$1,000.00 for the installation of dry hydrants, as recommended by the Selectmen and the Budget Committee.

19: To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the purpose of contracting with the Winnisquam Fire Department for fire protection, as recommended by the Selectmen and the Budget Committee.

20: Subject: Highway Maintenance

To see if the Town will vote to raise and appropriate the sum of \$176,988.00 for the maintenance of highways and bridges, this sum to include \$10,000.00 to use for repair of Town bridges, as recommended by the Highway Department, the Selectmen, and the Budget Committee.

21: Subject: Highway Block Grant

To see if the Town will vote to raise and appropriate the sum of \$56,633.00 to be received from the State for the Highway Block Grant for the purpose of repairing and resurfacing the Woodman Road, as recommended by the Selectmen and the Budget Committee.

22: Subject: State Aid for Reconstruction

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to funds already appropriated for State Aid for Reconstruction (S.A.R.) projects, which funds will be matched on a two-for-one basis by the State S.A.R. Fund, as recommended by the Selectmen and Budget Committee.

23: To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for the purpose of penetrating (oiling) a portion of Heuber Drive. By Petition.

24: To see if the Town will vote to raise and appropriate the sum of \$3,600.00 for the Town's share of the administrative costs, capital costs of construction, and interest charges related to the Winnepesaukee River Basin

(sewer) Project, as recommended by the Selectmen and the Budget Committee.

25: To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for operation and maintenance costs (user charge system) of the sewer system, said appropriation to be offset by revenue of like amount, as recommended by the Selectmen, the Budget Committee, and the Sewer Committee.

26: To see if the Town will vote to raise and appropriate the sum of \$21,210.00 and make the same available to the Library Trustees, as recommended by the Selectmen and the Budget Committee.

27: To see if the Town will vote to raise and appropriate the sum of \$800.00, \$700.00 to be reimbursed to the Town by a grant from the State of New Hampshire, State Historic Preservation Office, \$100.00 to be raised by taxes, for the purpose of an introduction to Sanbornton architecture and history. Recommended by the Historic District Commission, the Selectmen and the Budget Committee.

28: To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for the renovation of the Old Central Fire Station for Town Offices. Recommended by the Selectmen and the Budget Committee.

29: To see if the Town will vote to raise and appropriate the sum of \$1,500.00, for Twin Rivers Counseling Center. NOT recommended by the Budget Committee.

30: To see if the Town will vote to raise and appropriate the sum of \$19,091.00 for regional social and health services, as follows:

- \$ 731 — Belknap Community Action Program
- \$4,873 — Lakes Region Community Health
- \$1,100 — Lakes Region Family Services
- \$ 750 — Franklin Regional Hospital
- \$ 750 — Lakes Region General Hospital
- \$ 700 — Humane Society
- \$ 500 — Animal Control
- \$9,687 — Youth Assistance Program (the appropriation to be contingent upon continued participation in and support of that program by the Towns of Tilton and Northfield.)

Recommended by the Selectmen and the Budget Committee.

31: To see if the Town will vote to raise and appropriate the sum of \$110,000.00 for the purpose of purchasing a new Town grader. The purchase includes the trade-in of the present Town grader.

32: To see if the Town will vote to raise and appropriate the sum of \$110,000.00 for the purchase of a grader. Said grader to be funded by the issuance of notes in accordance with RSA Chapter 33, the Municipal Finance Act. The purchase price is to include the trade-in of the present grader. ($\frac{2}{3}$ ballot vote needed for passage.)

33: To see if the Town will vote to raise and appropriate the sum of \$110,000.00 for the purchase of a new grader. The purchase price is to include the trade-in of the present grader. Said appropriation to be offset by withdrawing \$30,000.00 from the Capital Reserve Fund for heavy equipment.

34: To see if the Town will authorize the withdrawal from Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972, a total of \$24,100.00 to be used as offsets against appropriations in Articles Numbers as follows:

Article 14—CRF Heavy Equipment—\$12,050.00; Article 14—CRF Fire Truck—\$12,050.00.

35: To transact such other business as may legally come before the meeting.

Given under our hands and seal, this 9th day of February, in the year of our Lord nineteen hundred and eighty-seven.

Selectmen of
Sanbornton

A true copy of Warrant—Attest:

Selectmen of
Sanbornton

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at town office, being a public place in said Town, on the ninth day of February, nineteen hundred and eighty-seven.

Selectmen of
Sanbornton

SELECTMEN'S REPORT

During the past year the selectmen have worked in conjunction with the office staff to improve the efficiency of town operations. It should be noted that the operation of small town government has become more complex with increasing demands.

We have been fortunate to have had the services of Phyllis Auger, and now Joanne Dover, in the capacity of Administrative Assistant. We greatly appreciate the skills that Janice Boudreau and Cindy Dalton bring to our town operation. State law requires the separation of functions for the offices of selectmen and Town Clerk-Tax Collector and we are very fortunate to have the skills and knowledge of Anne Ingemundsen and Irene Grzelak. The successful operation of the town office is critical to the overall success of town government. As state and federal governments withdraw their financial support, it is essential for us to be as efficient as possible.

The selectmen are always available to meet with individuals to discuss issues, concerns and suggestions with respect to town affairs.

Board of Selectmen
Thomas Salatiello, Chairman
Warren Lake
Daryl Woods

RESULTS OF TOWN MEETING

March 12, 1986

Winnisquam Regional Middle School

Ralph Sleeper, the Moderator called the meeting to order at 7:30 p.m. then called on Reverend Sarah Gephart for the invocation.

The results of the previous days voting were read.

Tom Salatiello, the chairman of the Board of Selectmen, was recognized. Mr. Salatiello expressed thanks and appreciation on behalf of the Town's people to the following persons who have served our Town:

Wayne Smart upon completion of his term of office as Selectman.

The group of people who worked on disseminating the information regarding the school formula change:

Jackie Bonifide

Wendy Gagne

Nina Gardner

Ann Hemphill

Anne Howe

Jack Landow

Monique Landow

Pat Norris

Allison Pancoe and Sanbornton PTO Officers

Barbara Prokosch

Millie Shaw

Judy Tibbetts

Laurie VanValkenburgh

Margueritha Vastine

Barbara Whetstone

Catherine Wilson

Judee Woods

Donald Foudriat — who served on the tri-town committee to study the school formula and was instrumental in having the committee recommend a formula change.

Frank Swain — who served many years on the ZBA.

Clayton Howe — who served many years on the ZBA.

Lucinda Patterson to whom this year's Town Report was dedicated for her many years of service to this Town as supervisor of the checklist and as holder of many Town Offices.

Andy Prokosch who has served for ten years on our Planning Board.

Ralph Sleeper who has served on our Planning Board for many years.

The moderator reviewed the rules of order for the ensuing meeting.

Article #1. To hear the report of the Budget Committee and pass any vote in relation thereto.

Moved, seconded and so voted to postpone until all money articles have been voted on.

Article #2. To see if the Town will authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes; to administer or dispose of any real estate, at public auction, acquired through Tax Collector's deeds: and to apply for and accept such grants and funds as may be available to the Town from private sources and from other governmental agencies.

Accepted as read.

Article #3. To see if the Town will vote to amend Article 20 (Town Warrant, 1976) to designate the Selectmen as disbursing agents for the Capital Reserve Fund for the Town Building Improvement and Capital Reserve Fund for Heavy Equipment recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #4. To see if the Town will approve the continuation of the Building Study Committee for a period of one year, voted by the 1985 Town Meeting, that Committee to oversee construction of the Life/Safety Building and advise the Selectmen of the re-furbishing of the Central Fire Station for Town Offices, as recommended by the Selectmen and Budget Committee.

Accepted as read.

Article #5. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the Life/Safety Building (painting, interest costs, landscaping, etc.) as recommended by the Life/Safety Building Committee and Budget Committee.

Accepted as read.

Article #6. To see if the Town will vote to raise and appropriate the sum of \$78,144.00 for the purpose of operating the Police Department, this sum to include \$200.00 for Civil Defense, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #7. To see if the Town will vote to raise and appropriate the sum of \$30,509.00 for the operation of the Sanbornton Fire Department, which sum includes \$1,000.00 for Forest Fire Protection and \$1,000.00 for the installation of Dry Hydrants, as recommended by the Fire Department, the Selectmen and the Budget Committee.

Accepted as read.

Article #8. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be added to the fund already established as a Capital Reserve Account for reconstruction and refurbishing of the Fire Trucks as requested by the Fire Department and recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #9. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to establish a Capital Reserve Account for the purpose of future purchase of a Fire Truck as recommended by the Fire Department, the Selectmen and the Budget Committee.

Accepted as read.

Article #10. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the purpose of contracting with the Winnisquam Fire Department for fire protection, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #11. To see if the Town will vote to raise and appropriate the sum of \$23,000.00 of which \$10,000.00 is to be placed in the Capital Reserve Fund for Heavy Equipment, \$10,000.00 to be placed in the Capital Reserve Fund for Town Building Improvement, and \$3,000.00 to be placed in the Capital Reserve Fund for the future addition to the Library, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #12. To see if the Town will vote to raise and appropriate the sum of \$156,546.00 for the maintenance of Highways and Bridges, this sum to include \$5,000.00 to use for repair of Town Bridges, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #13. To see if the Town will vote to raise and appropriate the sum of \$48,348.00 to be received from the State for the Highway Block Grant for the purpose of reconstructing a section of Hunkins Pond Road, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #14. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to funds already appropriated for State Aid for Reconstruction (S.A.R.) projects, which funds will be matched on a two-for-one basis by the State S.A.R. Fund, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #15. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the Town's share of the administrative costs, capital costs of construction and interest charges, related to the Winnepesaukee River Basin (Sewer) Project, as recommended by the Selectmen and the Budget Committee.

Alvin Larson wished to go on record as having drawn attention to the condition of Bay Road. He requests that the Selectmen bring this to the attention of State Department of Public Works and Highways.

Accepted as read.

Article #16. To see if the Town will vote to raise and appropriate the sum of \$19,290.00 and make the same available to the Library Trustees, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #17. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for distribution of \$750.00 to the Franklin Regional Hospital and \$750.00 for the Lakes Region General Hospital, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #18. To see if the Town will vote to raise and appropriate the sum of \$6,277.00 for Regional Social Services as follows: Belknap-Merrimack County Community Action Program \$677.00, Lakes Region Family Services \$1,100.00, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #19. To see if the Town will vote to raise and appropriate the sum of \$8,290.00 for the Youth Assistance Program; the appropriation to be contingent upon continued participation in and support of that program by the Towns of Tilton and Northfield, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #20. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the purpose of renovating the Central Fire Station and Town Offices as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #21. To see if the Town will vote to raise and appropriate the sum of \$1,200.00, which includes \$500.00 for Animal Control and \$700.00 for the Humane Society, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #22. To see if the Town will vote to raise and appropriate the sum of \$26,600.00 which sum includes \$25,000.00 for General Assistance, \$100.00 for Aid to the Disabled and \$1,500.00 for the Health Department.

Accepted as read.

Article #23. To see if the Town will vote to approve the Selectmen's request to retain for public use the properties as listed in the Inventory which have been acquired by Tax Collector's Deeds, under the provisions of RSA 80:42-A:

Tax Map	1 Lot	12	20.	A Mountain Road	\$	7,200.00

Tax Map 3 Lot	145	.2	A Hermit Lake Is.	1,750.00

Since it was determined that the above list included properties which were not taken by Tax Collector's Deeds this article was Amended as follows:

"To see if the Town will vote to approve the Selectmen's request to retain for public use those properties contained within the "Town Inventory of Property" which were taken by Tax Collector's Deed under the provisions of RSA 80:42A.

Accepted as read.

Article #24. To see if the Town will vote to authorize the Board of Selectmen to deed to Glendon Johnson certain property on Eastman Hill Road so called, known as the Westcott Lot (East side) formerly owned by him and acquired by the Town by Tax Collector's Deed dated December 30, 1980 and recorded at the Belknap County Registry of Deeds at Volume 800, Page 223, but only after payment to the Town of all unpaid taxes, plus interest and/or penalty on same, legal fees, and upon payment of any other cost incurred by the Town in conveying the property. By Petition.

This article was defeated.

Article #25. To see if the Town will designate Perkins Road as a Scenic Road, as provided for in New Hampshire RSA 231:157 and 231:58. By Petition.

Accepted as read. 43 NO. 74 YES Standing Vote.

Article #26. To see if the Town will vote to accept a gift of land of less than one acre, bounded as follows: Westerly by Route 132, so called; Northeasterly in part by a stone wall and an old roadway shown on the plan; and Southeasterly by said old roadway. Recommended by the Selectmen and the Planning Board.

Accepted as read.

Article #27. To see if the Town will vote to raise and appropriate the sum of \$6,555.00 for the improvement of Dr. True Road, said sum to be refunded by Betterment Assessment, in accordance with RSA 23:28, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #28. To see if the Town will vote to raise and appropriate the sum of \$2,700.00 to upgrade Johnson Barn Road, \$1,700.00 to be raised by taxes and \$1,000.00 to be paid by private citizens. This Article by request, not recommended by Budget Committee.

Accepted as read. This increased the recommended Budget Figure by \$2,700.00.

Article #29. To see if the Town will vote to raise and appropriate the sum of \$9,800.00, to upgrade Meeting House Hill Road, as recommended by the Selectmen and the Budget Committee.

Accepted as read.

Article #30. To see if the Town will vote to discontinue Brown Road, from Route 132 to Interstate I-93 by request and as recommended by the Selectmen and the Planning Board.

It was explained that a vote of the Town to "discontinue" the road means that the ownership of the land from the center line of the road will revert to the abutting land owner or owners.

Accepted as read.

Article #31. To see if the Town will vote to raise and appropriate the sum of \$2,420.00, \$1,650.00 to be reimbursed to the Town by a Grant from the State of New Hampshire, State Historic Preservation Office, \$770.00 to be raised by taxes, for the purpose of a minimum Document Action Survey, as recommended by the Historic District Commission.

Accepted as read. Standing Vote YES 61. NO 46.

Article #32. To see if the Town will vote to establish a committee to investigate the long-range educational needs of the Town of Sanbornton, and report yearly to the Town, membership of this committee to be appointed by the Selectmen and Moderator, as recommended by the Sanbornton PTO, the Selectmen and the Moderator.

Article #33. To see if the Town will vote to adopt written Welfare Guidelines as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written Welfare Guidelines prior to April 1, 1986. (Copies of the full text of the proposed Guidelines are on file with the Town Clerk.) By request of the Welfare Officer and the Selectmen.

Accepted as read.

Article #1. Raised from the table.

The town voted to accept the report of the Budget Committee amending the recommended budget figure by \$2,700.00 in Article #28. The final budget figure approved by vote of the Town was \$806,603.00.

Respectfully submitted,

Anne Ingemundsen, Town Clerk

Town Election Results March 11, 1986

On March 11, 1986, prior to the opening of the polls, the Moderator, Ralph Sleeper and the election officials met and counted the ballots. The polls were declared opened at 10:00 a.m. Three hundred and forty-eight (348) persons cast ballots in person and twenty-six (26) absentee ballots were cast, a total of 374 ballots. This represented 30% of the registered voters.

The results are as follows:

Zoning Ballot

Amendment #1. Are you in favor of the adoption of amendment No. 1 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 158 NO 197 Defeated

This amendment increases the front set-back requirement in the General Agricultural zone and the Recreation zone from 30 to 50 feet and from 35 to 50 feet in the Forest Conservation zone.

Amendment #2. Are you in favor of the adoption of amendment No. 2 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 169 NO 197 Defeated

This amendment increases the side and rear set-back requirement in the General Agricultural zone and the Recreation zone from 10 to 30 feet and decreases the side and rear set-back in the Forest Conservation zone from 35 to 30 feet.

Amendment #3. Are you in favor of the adoption of amendment No. 3 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 159 NO 198 Defeated

This amendment increases the front set-back requirement in the General Residence District from 30 to 50 feet and increases the side and rear set-back from 10 to 30 feet.

Amendment #4. Are you in favor of the adoption of amendment No. 4 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 167 NO 182 Defeated

This amendment adds a front set-back requirement in the Historical Preservation District 50 feet and a side and rear set-back of 30 feet in this district.

Amendment #5. Are you in favor of the adoption of amendment No. 5 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 189 NO 166 Accepted

This amendment establishes a water body set-back requirement of 40 feet between water's edge and any structure, except boat storage facilities used solely for the storage of boats, on natural waters and artificial impoundments of five or more acres. A procedure for delineation of water's edge and the handling of disputes is included.

Amendment #6. Are you in favor of the adoption of amendment No. 6 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 179 NO 179 Defeated

* Important—See attached minutes

This amendment limits the removal of sand and gravel to the General Agricultural or Forest Conservation District. The town may draw upon sources of these materials in any district as permitted by RSA 155-E.

Amendment #7. Are you in favor of the adoption of amendment No. 7 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 218 NO 136 Accepted

This amendment provides that the Zoning Board of Adjustment may if deemed necessary require security to cover costs of repair or improvements to roads as a condition to approval of sand and gravel operation. It may also give consideration to the impact a project may have on the normal flow of traffic and the use of roads by residents.

Amendment #8. Are you in favor of the adoption of amendment No. 8 as proposed by the Planning Board for the Town of Sanbornton Zoning Ordinance? YES 211 NO 143 Accepted

This amendment brings our penalty clause into compliance with state statute and clearly establishes a civil fine for each day of violation.

Respectfully submitted,

Anne Ingemundsen, Town Clerk

Town Election Results March 11, 1986

Declaration of Results of Recount

March 24, 1986

Recount Article #6 — Zoning Ballot

On March 17, 1986, six days from the date of the Town Meeting of March 11, 1986, the Town Clerk received a petition requesting a recount of the ballots cast on Article #6 on the Zoning Ballot. The petition was signed by 11 voters. In accordance with RSA 40:4-c, the Clerk accepted the ten dollar (\$10.00) fee and subsequently set a date of March 24th, (seven days after the receipt of the petition) at 6:30 p.m. at the Town Office.

The hour of 6:30 p.m. on March 24, 1986 having arrived, the Town Clerk opened the Recount ie. the Selectmen, the Moderator and the Town Clerk. The ballots were counted and recounted; in both instances the results were 180 for acceptance of Article #6 and 178 against acceptance. The Amendment #6 is accepted.

Respectfully submitted

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have examined the general purpose financial statements of the Town of Sanbornton, New Hampshire and the combining fund financial statements of the Town as of and for the year ended December 31, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Town of Sanbornton, New Hampshire, at December 31, 1986, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in our opinion, the combining fund financial statements referred to above present fairly the financial position of each of the funds of the Town of Sanbornton, New Hampshire, at December 31, 1986, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining fund financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Sanbornton, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose and combining fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective funds taken as a whole.

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1986

Unreserved Fund Balance	
Used To Reduce Tax Rate	\$35,470
<u>Beginning Fund Balance</u>	
<u>Reserved For Encumbrances</u>	
<u>Public Safety</u>	
Police Department	\$ 1,065
Fire Department	504
<u>Highways, Streets, Bridges</u>	
Block Grant	16,533
Street Signs	1,039
Town Bridges	2,599
<u>Capital Outlay</u>	
State Aid Reconstruction	15,000
Fire Detection System	1,800
Master Plan	2,258
Library Tower	6,277
	<u>47,075</u>
Total Use of Beginning Fund Balance	<u>\$82,545</u>

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year. The reserve for encumbrances at December 31 consists of the following:

<u>General Government</u>	
Town Officer's Expenses	
Preservation of Records	\$ 300
Master Plan	1,426
<u>Public Safety</u>	
Police Department -	
Relocation of Radio Equipment	500
Dry Hydrants	1,000
<u>Highways, Streets, Bridges</u>	
Town Bridges	4,123
<u>Health</u>	
Hospitals and Ambulances	1,500

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1986

<u>Capital Outlay</u>	
State Aid Reconstruction	20,000
Fire Detection System	1,800
Library Tower	6,277
Renovation of Town Offices	<u>10,000</u>
<u>Total</u>	<u>\$46,926</u>

F. Cash and Investments

At year end, the carrying amount and bank balance of the Town's deposits was \$624,771. Of this balance, \$300,655 was covered by federal depository insurance and \$324,116 was uninsured.

State Statutes authorize the Town to invest excess funds in the custody of the Treasurer in obligations of the United States Government in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, or in certificates of deposits of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this state or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption cash and equivalents.

The Town is further authorized to invest Trust Funds in obligations of political subdivisions and stocks and bonds, as they are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept separate and not intermingled with Trust Funds. Capital Reserve Funds may be invested only by deposit in savings bank deposits of New Hampshire banks, or in United States or State of New Hampshire bonds or notes.

G. Accumulated Unpaid Vacation and Sick Pay

Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year's allowance. The Town has no formal sick leave policy.

H. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Winnisquam Regional School District and Belknap County which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town. The payments are recorded in the General Fund financial statements as intergovernmental transfers.

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1986I. Property Taxes

The National Council on Governmental Accounting, Interpretation 3, referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to December 31, 1986, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Sanbornton annually recognizes, without reserve, all tax receivables at the end of the fiscal year. The Town feels this practice of accrual is justified as it more appropriately matches the liability to the school district entity at December 31, with collections which are intended to finance these payments through June 30 of the following year.

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident taxes, known as overlay. All abatements and refunds are charged to this account. The amount raised in 1986 was \$9,589 and expenditures amounted to \$24,069.

As prescribed by law, the Tax Collector sells at tax sale all uncollected property taxes in the following year after taxes are due. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two-year redemption period, the property is tax-deeded to the lien holder.

J. Interfund Transactions

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental fund financial statements reflect such transactions as transfers.

NOTE 2 - CHANGES IN LONG-TERM DEBT

The following is a summary of long-term debt transactions of the Town for the fiscal year ended December 31, 1986.

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1986

	<u>General Obligation Debt</u>
Long-Term Debt	
Payable January 1, 1986	\$336,000
Long-term Debt Retired	(21,000)
Long-term Debt	
Payable December 31, 1986	\$315,000

Long term debt payable at December 31, 1986 is comprised of the following individual issues:

General Obligation Debt

1980 Fire Truck Bond payable in annual installments of \$6,000 thru 1991, interest at 5%	\$ 30,000
\$300,000 1985 Life Safety Building Bonds payable in semi-annual installments of \$15,000 thru 2005; interest at variable rates from 5.40 to 8.875%	<u>285,000</u>
<u>Total</u>	<u>\$315,000</u>

The annual requirements to amortize all debt outstanding as of December 31, 1986, including interest payments, are as follows:

Annual Requirements To Amortize Long-Term Debt

<u>Year Ending December 31</u>	<u>General Obligation Debt</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
1987	\$ 21,000	\$ 23,329	\$ 44,329
1988	21,000	22,241	43,241
1989	21,000	21,194	42,194
1990	21,000	19,983	40,983
1991-2005	<u>231,000</u>	<u>152,196</u>	<u>383,196</u>
<u>Totals</u>	<u>\$315,000</u>	<u>\$238,943</u>	<u>\$553,943</u>

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTSDecember 31, 1986

All debt is general obligation debt of the Town, which is backed by its full faith and credit.

NOTE 3 - CAPITAL RESERVE FUNDS

The Capital Reserve Fund balances held by the Trustees of Trust Funds at December 31, 1986 are as follows:

<u>Purpose</u>	<u>Amount</u>
Fire Truck	\$ 20,806
Heavy Equipment	74,949
Town Building Improvement	46,236
Library Addition	6,449
Fire Truck Rehabilitation	<u>7,041</u>
<u>Total</u>	<u>\$155,481</u>

NOTE 4 - INTERFUND RECEIVABLE AND PAYABLE BALANCES

Individual fund interfund receivable and payable balances at December 31, 1986 were as follows:

<u>Fund</u>	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
General Fund	\$60,289	\$28,932
<u>Special Revenue Fund</u>		
Federal Revenue Sharing		5,000
Capital Projects	26,932	
Special Assessment		19,519
<u>Trust and Agency</u>		
Capital Reserve Fund	<u>2,000</u>	<u>35,770</u>
<u>Totals</u>	<u>\$89,221</u>	<u>\$89,221</u>

NOTE 5 - PENSION PLAN

The Town participates in the State of New Hampshire Retirement System. The Town's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan. Since the actuarial valuation is performed on the entire State plan the amount, if any, of the excess of vested benefits over pension fund assets is not available. The Town does not have an accrued liability for past service costs. Pension costs amounted to \$4,782 in 1986.

TOWN OF SANBORNTON

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1986

NOTE 6 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1986 are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	<u>Expendable</u>
Cemetery Funds	\$13,723	\$12,974
Library Funds	6,031	236
Needy Poor	16,370	3,626
School and Parsonage	2,591	206
<u>School and Cemetery</u>		
John Doe Taylor #1	4,357	2,154
<u>Scholarships</u>		
John Doe Taylor #2	4,250	321
John Doe Taylor #3	17,364	4,173
Fireman's Memorial	2,991	1,053
Robert Gilman Memorial	508	786
<u>Totals</u>	<u>\$68,185</u>	<u>\$25,529</u>

NOTE 7 - SPECIAL ASSESSMENT FUND DEFICIT (\$19,519)

The deficit in the Special Assessment Fund arose because of the application of generally accepted accounting principles to the financial reporting for such funds. Special assessments are recognized as revenue only to the extent that individual installments are considered current assets. The deficit of the fund will be reduced as deferred special assessment installments become current assets.

SCHEDULE 4
TOWN OF SANBORNTON

Sanbornton Police Department

Annual Report

The year 1986 has shown a 43% increase in calls over the previous year. There has also been a 76% increase in major crimes for the same period. This activity has also shown an increase of 35% in arrests in dealing with these problems. Again, as in the past, I ask you, to assist us in dealing with these problems by being our eyes and ears and call us whenever you observe any suspicious activity.

As in the past years, the Police Department, in conjunction with the Town Highway Safety Committee has sponsored a Bicycle Safety Poster Contest in both the Sanbornton Central and Sant Bani Ashram Schools. This program is coordinated by the Police Department with the judging being done by the Highway Safety Committee and prizes being awarded to the winners in the class groups. We can thankfully say that this program has been a great success in educating the children in this aspect of safety and will be carried on in future years.

I wish to thank the Youth Assistance Program for all their help in dealing with the problems of our youth, not only in Court Diversion cases but in private counseling as well. I also wish to thank the Belknap County Sheriff's office as well as the police departments in the surrounding communities for their assistance whenever it was needed. Special thanks go to the citizens of Sanbornton for their help and support.

I especially wish to thank the taxpayers of Sanbornton for their generous support in the construction of the New Life Safety Building. This facility gives us much more pleasant working conditions and has done wonders for morale. I cordially invite each and every one of you to stop in to see the new facility.

Respectfully submitted,
John J. Maurath
Chief of Police

Fines and Penalty Assessments

The following are fines and penalty assessments generated through convictions at the Laconia District Court by the department. Penalty assessment is an assessment of 10% or \$2.00, whichever is greater, of a fine imposed on a person convicted of a criminal or motor vehicle offense. This money is designated by law to support police training in the State.

Sanbornton Public Library

In October we accepted with regret the resignation of Barbara Powers, whose 20 years as librarian have been so important to our growth. Her devotion to the library has set high standards which we shall endeavor to follow. We are fortunate that Polly Cote has accepted the position of librarian, and that Priscilla Bodwell will assume the duties of children's librarian. Both staff members have worked under Barbara's direction and will continue to serve the community in a positive, friendly manner. The library is often one of the first places visited by new residents in search of helpful information about the area, along with a cordial welcome to the town. Our library can fill both of these needs.

There are many new books and periodicals provided for all age groups. Many families have discovered the value of sharing the joy of reading with their young children and carry out armfuls of picture books each time they visit. During the summer special programs were presented for the children, among them the Little Red Wagon's Potpourri; Becky Graber, Story Weaver, (co-sponsored with the Town Recreation Committee), and Dan Grady Production's Vaudeville Lives. All were enthusiastically received!

The Minolta copier is in constant use during library hours. For a very modest fee it is available for your convenience. Community use of the upstairs room continues for a variety of functions—band practice, town and organizational committee meetings, and Brownie Troop activities are typical. (It is requested that dates be confirmed with the staff in order to avoid conflict.) An electronic IBM Wheelwriter machine on a hutch-type computer stand has replaced the ancient typewriter on its rickety table, and the current edition of the Academic American encyclopedia has been purchased.

Donations to the library have been received in memory of Laura Rose Abbott, Charles Colby, John Morse and Gertrude Currier. We appreciate the kindness of their families and friends in honoring the library in this way. We also are indebted to our many friends who have given of their time, goods and talent to make the library a more attractive and useful adjunct to the community. The Book and Bake Sale was held on Saturday, June 7 and many hands contributed to its success. In December, Sally Gephart became a volunteer librarian, keeping the library open on Saturdays from 10 a.m.—2 p.m. She will continue this service until May 1, on an experimental basis; if it proves popular we hope to keep it going. Thank you, Sally!

Space needs are of urgent concern, and we in the early stages of planning an addition to the library, which is housed in the old Woodman Academy, one of the trio of historic buildings on Meetinghouse Hill. Every effort will be made to keep it aesthetically in harmony with the church and town hall, without sacrificing its efficiency. Room to grow is imperative, and easy access for the handicapped a priority. We will seek the support of the community as this project takes shape. The library belongs to us all—let us continue to make it a facility of which we can be proud.

Library Hours

Tuesday — 9 to 4 p.m.

Wednesday — 1 to 8 p.m.

Thursday — 1 to 8 p.m.

Friday — 9 to 4 p.m.

Saturday — 10 to 2 p.m. (Until May)

REPORT OF SANBORNTON FIRE DEPARTMENT

The Sanbornton Fire Department responded to 179 calls for the year, with a sharp increase in medical emergencies, 76. We now have six licensed EMT's and First Responder to help provide you with medical emergency care. The EMS team is training bi-monthly to stay proficient, and acquire new skills in the field.

Fire Department personnel are attending local area training programs as well as in-house monthly training to upgrade their proficiency, learning new methods as well as refreshing on the basics. In the last year the department has advanced and is continuing to do so, even though manpower is low.

We are in the new building which makes things a lot easier around the station. Several of the members have given a great deal in getting the project completed, donating over three hundred and sixty hours of their time.

When burning outside please contact the Fire Department. If a permit is needed a warden will issue one, if one is not needed the department will know burning is being done. This saves the department from answering an alarm that is not necessary.

The department is here to help you in any way we can. If you have a question or a problem we will assist you to resolve it.

Respectfully submitted
Arthur Dowling, Fire Chief

The Winnisquam Fire Department has responded to a total of two hundred and eighty calls in nineteen eighty six. The Department consists of sixteen active and probationary members, six of which are Emergency Medical Technicians.

Training sessions and drills are held frequently, and Fire Schools are attended annually by members.

Regular business meetings are held the first Thursday of each month at 8 p.m. Officers' meetings are held the second Tuesday of each month at 7 p.m., and special meetings are held as needed.

In the past year the Winnisquam Fire Department has held fund raisers, in which to purchase medical equipment, to update our rescue. Each year the medical field becomes more technical, therefore the Winnisquam Rescue team is trying to keep up with the most current equipment. The Winnisquam Fire Department would like to thank all those who supported, and donated to our Department. Special thanks to Sarge and Gerry Watts of Sarge's Country Store, they are two people who are always there regardless of what time of day or night.

The annual Carole Davis Memorial Christmas Party was held for the children in the Winnisquam area.

Respectfully submitted,
Charlene McDonald, Clerk
Winnisquam Fire Department

**Report of the Town Forest Fire Warden
and State Forest Ranger**

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Lakes Region Planning Commission Report

Throughout the year the Lakes Region Planning Commission maintained its basic local planning services to member communities, and pursued regional planning projects in transportation, shoreland management, historic preservation, water quality and solid waste management. The LRPC also took steps to improve its financial position and staffing in order to enhance its capability for delivery of high quality professional services at reasonable cost. Twenty-eight of the thirty-two communities in the region are now members of the Commission.

1. Local Assistance

In a period of rapid regional growth, town officials have come under considerable pressure to sort out the complex ramifications of development. As a consequence, they have leaned heavily on the LRPC for planning advice and technical assistance, and the staff has responded with guidance, draft and sample texts and other vital information. The Commission, for example, has worked with several communities on economic development matters, helping Tilton and Tamworth in preparing applications for Community Development Block Grants, and consulting with Wakefield, Laconia and Franklin, among others, on economic development strategies. It has assisted Meredith in preparation of a capital improvements program and Freedom in developing an interim growth management ordinance in the face of intensive development pressures. High on the agenda of many towns are the updating of master plans and the preparation of capital improvement plans, as these must be in place before a town can adopt growth management regulations.

The LRPC's record of town inquiries shows a lively concern with these matters as well as with ground water, soils and slopes, road standards, interpretations of the RSA, and a broad range of other queries relating to subdivision regulations, zoning ordinances, site plans and planning board procedures.

The potential pit-falls in the planning process are many, and communities are becoming increasingly aware of their vulnerability to (a) the consequences of unmanaged growth, and (b) the legal complications arising from uninformed actions and procedures. Largely for these reasons, the LRPC again sponsored in this region the annual Law Lecture Series organized by the Municipal Association.

2. Regional Planning

Transportation issues received major attention this year from both staff and commissioners. Among the projects were: (1) research on improved transportation services for the region's transportation disadvantaged (an Urban Mass Transportation Act funded report was

published in June;) and (2) a longer term program to develop baseline transportation data for the region and the State Department of Transportation (DOT). The DOT's funding came to LRPC as one of four rural regions and permitted the hiring of part-time professional assistance to aid an active regional transportation policy committee. The research involves an examination of the road network, traffic volume, highway adequacy and similar concerns in air and rail transport as a guide to future DOT and local planning.

The environment, especially water quality and shoreland protection, is another area of continuing major interest to the LRPC in its regional planning role. With funding from OSP, special appropriations from some member communities, and grants from IPC, businesses and the Arwood Foundation, LRPC prepared (a) a survey of the region's shoreline zoning regulations and a model shoreland overlay district ordinance, and (b) an updated catalog of the region's existing development regulations, town by town.

With a view to assembling a data base on the region's surface water quality, three regional meetings were held with members of the Lake Lay Monitoring Program (LLMP). These and other initiatives by commissioners and staff helped focus legislative attention on water quality issues. The quality of both surface and ground water are matters of abiding concern to the region, and the LRPC continues to monitor legislative action, or inaction, closely. In many ways, obviously, water quality management is inseparable from land use planning.

In the fall of 1986 the LRPC started work to update the 1977 Regional Land Use Plan. This undertaking, backed by OSP funding, will include a detailed investigation of land use changes over the past ten years leading to an assessment of the significance of these changes measured against the overall goals for land use. A series of public meetings was scheduled to obtain citizen comment on the land use plan and its statements of goals and objectives. The plan is the region's blueprint for local development and is frequently consulted by local planning officials and the LRPC staff.

3. **General**

Administrative changes have been made to tighten the budget and avoid deficits such as that of FY 1985. The Commission has redefined its list of basic and reimbursable services in an effort to insure that the actual cost of providing expected services is covered either through dues or, for special projects, by negotiated reimbursement arrangements.

As is well known, federal funding sources are far scarcer than in past years. Since a statutory requirement remains to deliver certain

services, the LRPC will continue to seek all possible State support and will set community dues at the minimum level consistent with assurance of quality services.

Staff has remained very lean over the past year, too lean, in fact, to handle the workload without significantly heavy and uncompensated overtime. The three full-time and three part-time positions of 1986 were a far cry from the eleven full-time positions of 1979. The Commission definitely needs a modest increase in staff just to carry out its basic responsibilities to member towns.

In mid-1986 the LRPC hired a part-time transportation specialist and a full-time planning technician. A "circuit-rider" planner was recruited to serve the planning needs of Belmont and Franklin, paid and used exclusively by those two towns. This technique could be applied elsewhere. In November the LRPC faced an urgent need to fill the position of senior planner vacated by 14-year veteran James Rollins.

4. **Conclusion**

That the region's communities are firmly oriented toward sound land use and growth management is demonstrated by the number of towns which already have land use ordinances in place and by the activity of others to complete the process. But successful planning and growth management requires solid citizen support. That support is given through the town budget process and through volunteer time. This is as true today as it was in the recent past; witness the following from the LRPC's 1979 Annual Report:

"The quality of growth management must be viewed in the context of financial support. A good plan and an effective planning process will cost more than a poor process. Good planning requires countless hours of volunteer involvement with professional backup. Some key planning recommendations, in turn, will inevitably succeed only through public expenditure . . . New approaches to planning will be successful only to the extent that the public is involved. The public will want ideas that help to support their goals but also ones where costs appear to be justifiable."

It is the overriding objective of the LRPC to provide quality planning services at justifiable cost. And the costs can be reasonable when they are shared through the instrumentality of a regional planning entity such as the LRPC.

Planning Board Annual Report

The Planning Board, responding to one of today's concerns, protection of water bodies and shorefront, drafted a proposal for a "Shorefront District Zoning Ordinance Amendment." The intent is to monitor lakefront development (boatslips, marinas etc.) and to provide a mechanism to control waterfront erosion.

The Board is also presenting to the town for approval, proposed amendments to the Sanbornton Zoning Ordinance on setbacks. The intent is to bring greater conformity of setbacks in the various zones and to bring our setback standards into line with surrounding communities as well as to better serve the community in its desire to retain its rural character. Currently with a 10 foot setback requirement two buildings, on separate lots, may be placed as close as twenty feet apart.

Implementation of the new subdivision application procedure has proved effective. It has speeded up the processing time for applicants and allowed the Board to use its meeting time more effectively.

The following is a list of applications approved by the Board from March 1, 1986 through Jan. 30, 1987.

Town of Sanbornton Long Range Educational Committee

The Committee's purpose was to study Sanbornton's options for education in the foreseeable future.

We started with a review of the details of the town's current status as a member of the Winnisquam Regional School District and then proceeded to explore other possible arrangements. In the process we met or talked with board, staff, and faculty of the WRSD; N.H Department of Education officials; and representatives of surrounding school districts. We obtained data on both cost and educational quality measures from districts around the state.

Although the members initially brought widely varying opinions to the Committee, the process of exploring together the alternatives produced the consensus that, as things currently stand, our educational needs can best be met by continuing as a part of the existing district.

For Sanbornton to run its own autonomous school district for our small, 300 student enrollment would entail increased costs. Especially in the upper grades, where lab sciences, gym, and other necessary course offering require expensive facilities, our per pupil costs would be significantly higher than they are now. Ours would be the 72nd in size of the 75 high schools in the State; the data shows that schools this size cannot afford many of the resources and opportunities that larger schools can offer. The smallest existing middle school in NH has over 200 students; ours would have 98.

Opportunities for forming another cooperative district with other small towns within reasonable transportation distance do not presently exist. All are adequately satisfied with their current school systems, and in any case it is not certain that they would want or be able to support the same quality of education as WRSD offers.

As with any cooperative venture, however, Sanbornton will continue to be served by our school district only if, both as individuals and as a town, we actively participate in every aspect of decision-making and we succeed in making the needs of Sanbornton children heard. The support, cooperation, and goodwill of all three towns must continue if any of us wants to adequately educate our children for the increasingly complex and demanding place our world is becoming. The basis of our local, like our national, economy is changing dramatically. If we adults fail now to recognize or to accept what we realistically have to prepare our children for, they will be the ones to tell us. When it's too late.

Sanbornton Long Range
Educational Committee

Report of Sewer Committee 1986

Nineteen eighty six was the year the Sanbornton interceptor began accepting sewage. By mid October, 68 applicants representing 90-100 building units were connected. There are still some buildings which must connect but have not; the Town will take action to bring these owners into compliance with the sewer ordinance.

Financial arrangements for the State to extend the interceptor northward on the Lake Shore to about Beachwood Avenue in Leighton Estates are complete. The contractor should finish construction no later than summer 1987.

Committeeman George Glines tendered his resignation in October; it was accepted with regrets.

D. Foudriat, Chairman

Solid Waste Disposal Committee

The Sanbornton Town Landfill has been operated since 1984 as a Sub-District of the Lakes Region Solid Waste Management District, in accordance with the provisions of RSA 149, and is subject to the supervision of the State Board of Solid Waste Management. State inspection of the Landfill operation during 1986 has continued to assure that the Sanbornton Landfill is in full compliance with all relevant statutory regulations.

In consultation with State Officials, the Committee has determined that the Town must prepare for the engineering design, layout and installation of ground-water monitoring wells in the foreseeable future. A first step in preparation for that eventuality has already been taken by the completion of a perimeter survey of the property, inclusive of all additions made to the site by acquisitions subsequent to the original purchase, and is now registered with the County.

The next step will be contracting with a State approved engineering firm for the design and on-site layout of the monitoring system. In anticipation of the cost of this project, which is estimated to be no less than \$25,000.00, the Committee has submitted a budget request for 15,000.00 to be placed in a Capital Reserve Fund. The Committee has also requested that the annual assessment for Solid Waste Disposal levied against the Town of Meredith be raised to 1,500.00, and that this amount be added to the Solid Waste Disposal Capital Reserve Fund on an annual basis henceforth.

Pending completion of the design and layout of the monitoring system, there is no way of estimating the cost of installation of the monitoring wells themselves, or the cost of their operation. It is therefore proposed that a sum equivalent to that recommended in the current budget, i.e. 16,500.00, be allocated annually to the Solid Waste Capital Reserve Fund, and that the Selectmen be authorized to draw upon this Fund, as agents of the Fund, as recommended by the Solid Waste Disposal Committee.

The Committee has also recommended to the Selectmen and Budget Committee that adequate funds be provided for a gate control officer to be on duty during all hours that the Landfill is open to the residents and property owners of the Town. This measure appears necessary owing to abuse by non-eligible users and in order to avoid the disposal of potentially hazardous wastes in the Landfill.

Jean Auger, Road Agent
Ralph Sleeper, Clerk

Andrew J. D'Angelo

Chairman

Conservation Commission Report

Environmental impact reached an all-time high in the town of Sanbornton in 1986. Building permits were 5 fold greater than in 1984. A major gravel pit operation was opened. Hermit Lake and Rollins Pond were subject to unprecedented dredge and/or fill activity, while the "natural" shoreline of Lake Winnisquam continued to be disturbed in favor of human amenities. Wetland violations, illegal solid waste disposal and scenic road compromise also brought the involvement of authorities.

On the plus side, major legislation was passed in 1986 which put some teeth (and stiff fines) into the enforcement of wetland statutes. Former Governor Volpe donated a parcel of land to the town. In addition, in the interest of preserving farmland and homesteads for posterity, local concerned citizens pursued the strategies of selling development rights and granting conservation easements.

The donation of property, as well as the above noted strategies, really took on significance in New Hampshire in 1986 as the challenge to our state's wealth and natural beauty took on added awareness with the onslaught of development and the nuclear waste issue.

In response to this threat, the TRUST FOR NEW HAMPSHIRE LANDS was established. The Trust pulls together state, local, and private efforts and resources in order to help individuals and communities protect their priority land from development. Anyone interested in this program, please contact Robert Laflam (934-3890).

Robert LaFlam, Chairman and Treasurer

Building Study Committee

This committee, re-approved at the 1986 Town Meeting, met four times to advise the Selectmen regarding the construction of the Life Safety Building. Members of the committee also attended each project meeting and both "punch list" meetings between the contractor, Lefebvre Brothers, and the architect, Frank Marinance. The committee was not involved in planning for the refurbishing of Central Station.

The Selectmen took direct responsibility for meeting with the contractor in conducting the construction of the project.

The building was completed and occupied in early December. The site remains incomplete and unstable, site work having received a low priority. Connection of Central Station's septic system to the new septic system, completion of drainage systems, finish grading, landscaping and asphalt paving should be performed as soon as feasible.

Historic District Commission

The summer of 1986 was a very busy and exciting time for the members of the Historic District Commission and many hardworking volunteers.

Using funds received from the State of New Hampshire Historic Preservation Office and the Town of Sanbornton, 257 pre-World War II buildings were surveyed both architecturally and photographically.

Many pieces of information and old photographs and deeds were provided by individuals interested in this project. The papers were photocopied and included in the survey.

The survey (all 7 volumes of it) will be available in the Town Office for anyone wishing to look at it. Hopefully it will be used not only by various town committees and people who want to learn more about their houses, more about the early settlement of the town or who simply have an interest in the history of Sanbornton. The Town is fortunate to have such a historical architectural legacy left by its earlier residents.

The Commission thanks all of you who were so generous with your time and assistance—please stop by the Town Office and take a look at the completed project.

Trustee of the Cemetery Fund Annual Report 1986

Work has continued this year on the care and repair of stones in some of the over seventy five cemeteries in Sanbornton. Weakened trees have been removed where their fall would destroy stones.

Marker inscriptions may be the only documentation for old families and are regarded as legal documents. We are recording information found on these markers and hope to someday have a ready file of information for every cemetery in town. With time, vandalism and atmospheric conditions, the carving on the stones disappears a little every year.

Some stones require metal sleeves to hold broken pieces together. Other stones are so far gone that a new smaller marker is made displaying what historical information remains. Stones that are tilted are set right. Cemeteries over run with poison ivy must be cleared before we can get in to them.

Our effort is one of love and against time. Whenever a stone is repaired or a cemetery revived we find real pleasure and appreciation for the town that has made this work possible.

Dad was fond of this lovely town, her people and her rich history. I'm glad that I can continue with this work that interested him so much.

Respectfully submitted,
Martha C. Douglass

Youth Assistance Program of Northfield, Sanbornton, and Tilton, Inc. 1986 Town Report

Our Youth Assistance Program has had increasing activity this year. Not only have we worked with young people in need of court diversion but we have had opportunity to become involved with youths and families in need of help.

Our daytime parent support group is exciting and productive. We are making plans for an evening meeting as well.

Strides are being made in an independent living program for youths, to help prepare them for a time when they may strike out on their own. Study includes job hunting, apartment living, home and money management etc.

The People Program is small but growing. We need adult volunteers. It is a worthy and rewarding activity. There are many youngsters who need a caring adult to spend special time with them. All prospective volunteers are carefully screened. We work closely with them to help build successful and happy relationships.

We are pleased to report that we have many new volunteers for the Juvenile Review Boards. Without these good people we could not do the all important court diversion work.

Our appreciation is offered to the police departments of Sanbornton, Tilton and Northfield and to the personnel of the Winnisquam Regional School District. It is a pleasure working with you.

Respectfully submitted,
Martha C. Douglass, Director
Dawn Bartron, Assistant Director

RECREATION COMMITTEE REPORT

Recreation- "*Restoration to health; to create anew; restore; refresh; refreshment of strength and spirits after work; means of refreshment or diversion.*"

Webster's Dictionary

The Recreation Committee has offered six programs, planned two winter activities and co-sponsored two town programs in 1986.

Our first task after reforming the Committee in early spring was to organize and carry out the *Beach Program*. This involved three components:

1. **Beaches:** Preparing the beaches at Hermit and Winnisquam Lake—having new sand put on the beaches, putting the grills in place, arranging for the toilets, phones and garbage pick-up, placing the rafts into the water, and the guard stands on the beach. At Winnisquam Beach the picnic tables were painted and the Bathhouse repaired and painted by Recreation Committee members and friends. At the end of the season the beaches were closed, cleaned and equipment stored for the winter.
2. **Lifeguards:** The Committee is responsible for the hiring, scheduling and supervising of life guards. The guards this season were Sean Dunne, Maria Chapdelaine and Steven Nicholls. Prior to the opening of the beaches the life guards participated in the Lakes Region YMCA Life-guard Swim Session.
3. **Water Safety Instructor:** The Committee is responsible for the hiring, scheduling and supervision of the Water Safety Instructor/Swim Teacher. This year our WSI was Todd Davies.

Todd taught two sessions of swim lessons. The first session was held at Winnisquam Beach and involved forty-five (45) children. The second session was held at Hermit Lake and involved thirty-eight (38) children.

Library: The Recreation Committee sponsored story telling hour with Becky Graber July 18, 1986.

Tennis: A tennis program was offered for the first time for both adults and children at the Winnisquam High School outdoor courts. Dick Hatfield, the tennis pro from Gilford Hills Club was the instructor. Twenty-four (24) people participated.

Soccer: A new program was introduced in September. The Soccer program was developed with the help of the Lakes Region YMCA. (The Y ordered the balls and books for the players and offered a clinic for the coaches.) Soccer was offered to all Sanbornton boys and girls ages 6 to 12 or children attending a Sanbornton school.

Games were held Saturday mornings September 20, 1986 to October 25, 1986 from 9-11. The first hour was for practice and the second hour was for playing.

Games were held at the Sanbornton Central School field and Sant Bani School field. Eighty (80) children participated and twenty-two (22) parents volunteered to be coaches, referees and "refreshment" ladies.

The "End of Season" picnic dinner and award ceremony was held at the YMCA followed by a swim for the participants and their families.

Gym and Swim: This successful program is in its third year. Two sessions of 6 weeks each have been held in the fall of 1986 with fifty (50) children participating.

Aerobic Dance: Another successful program was taught by Debbi Gebhard in the fall of 1986 at the Town Hall. A 10 week session, 2 mornings per week had nine (9) participants.

The Recreation Committee also co-sponsored Baseball in the spring and Old Home Day in August.

Winter programs planned are ice skating and volley ball. The Pond by the town office is set up with lights and benches for skating. The Committee is looking for individuals who are interested in keeping the pond clear of snow. If you would like to help please contact a committee member.

Winter has also found the committee working on the 1987 budget and the continued organization in order to increase the committee's effectiveness in determining community recreation needs, and to develop appropriate programs to meet those needs.

Through individual participation in the Recreation Program activities the Committee intends to increase community awareness and involvement in the recreation programs.

Thus the purpose of the committee is to promote the establishment of leisure and recreation programs for the town of Sanbornton.

The committee also will sponsor, co-sponsor, organize and conduct annually, specific events and recreation programs. We encourage public and private support of the recreation programs, facilities and opportunities for all town residents to participate.

One form of participation is through volunteering on the Recreation Committee. If you are interested in being a member of this very active committee please contact a recreation committee member or a town selectman.

In closing the committee would like to thank all the individuals who have contributed their time and efforts in making our programs successful! We also wish to acknowledge the generous help we have received from the librarians Barbara Powers and Priscilla Bodwell.

Enthusiastically!

Beth Shehadi-Ellerbeck, Debbie Gephard

Lakes Region Community Health Agency, Inc.

Service Summary Report—Town of Sanbornton 1985-1986

The fiscal year for this agency is July 1–June 30. This report will reflect the activities of this agency, in Sanbornton, during the 1985–86 fiscal year.

We have seen twenty-nine individuals in Sanbornton. The type and intensity of service varies with each person receiving care. The services provided were:

Skilled Nursing	118 visits	\$5,664
Physical Therapy	55 visits (47¾ hours)	2,292
Home Health Aide	72 visits (85¾ hours)	1,715
Homemaker Services	418 visits (1276 units)	9,467
Early Intervention	36 visits (36¼ hours)	2,465

During this year there was one child under the age of three seen by the Early Intervention Program. This program is funded by the Division of Mental Health-Developmental Services.

This graph shows the source of reimbursement for services:
